Dear Shri *Bhattacharya,*

I take this opportunity to thank you very much for showing me around the places where CAPART assisted projects are going on in the Sub-Division of Diamond Harbour, South 24 Parganas, West Bengal. In fact, I was very happy to see different types of activities engaged in by people particularly women for improvement of their living standards. I wish everyone of them success in their lives and I am sure you will continue to work for their well-being with as much sincerely and dedication as you have been exhibiting all these years.

I can assure you that CAPART will be willing to continue to provide its support and assistance to your organization for all its legitimate and approved activities.

With kind regards,

Yours sincerely,

(L.V.Saptharishi)
